

Chief Executive Officer

The Telecom Sector Skill Council (Telecom SSC) is an industry-led apex body, jointly set up by the Cellular Operators Association of India (COAI), Indian Cellular and Electronics Association (ICEA) and National Skill Development Corporation (NSDC) under the aegis of the Ministry of Skill Development & Entrepreneurship to ensure adequate availability of skilled manpower to boost growth and productivity in the Telecom sector. TSSC achievements include:

- 1 million+ Trained youth in Telecom and Tech, empowering a future ready workforce
- 60+ Telecom and Tech Qualification Packs
- 1000+ Training Centres across the Nation
- 500+ Industry engagements across the sector
- 6+ Assessment Partners

TSSC is looking for a **Chief Executive Officer** based in Gurugram/Delhi to effectively lead the Council and motivate the team towards a clearly defined strategic vision, emphasizing collaboration, customer focus, and timely delivery excellence. The role involves expanding the use of developing qualification packs and training modules to meet the evolving requirements of Industry 4.0 and beyond. The CEO will be required to spearhead coordination efforts with key players in the telecom industry, MSMEs, industry associations, and various governmental entities such as MSDE, NCVET, MeitY, DoT, and NSDC and also be responsible for engaging with manufacturers, consultants, educational institutions, industry experts, research and development organizations, and ITIs within the telecom sector. Candidate should have the ability to manage stakeholders efficiently.

- **The Candidate should be below 60 years of age and should have a minimum education qualification of post-graduation/MBA/CA, with minimum 25 years of experience of which preferably 5 years should be senior management experience in Telecom industry or Skilling Ecosystem.**
- **Eligibility criteria may be relaxed for exceptional candidates**
- **Candidates working in Government/PSU/SSCs are to produce NOC during interview**
- **Salary would not be a constraint for the right candidate**
